About Us:

The YOU Clinic Chiswick was established in 2006 specialising in permanent hair removal and skin rejuvenation treatments. We offer a full range of beauty & aesthetic treatments provided by knowledgeable therapists.

We also have a team of Freelance Therapists who provide specific treatments that they have specialised in for many years and are considered experts in their chosen field.

All our therapists are fully insured & members of BABTAC the British Association of Beauty Therapy & Cosmetology.

Online Booking:

We offer a very simple online booking system via our website or Facebook page. Perfect for those who want to book outside of salon opening hours
Visit www.theyouclinic.co.uk

New Clients:

All new clients are required to pay a 50% deposit at the time of booking.

Cancellation Policy:

If we are not given sufficient notice to rebook an appointment, we will charge a cancellation fee. This will be 50% of the cost of treatment if less than one working day's notice is given; 100% for missed appointments with no notice given.

Car Parking:

We are very fortunate to have 2 car park spaces at the rear of the shop (entrance from Essex Place). These are available on a first come, first served basis and are not guaranteed with any appointment.
